

## Resources from March 5<sup>th</sup> Know the Signs Small County Webinar – California Integrated Behavioral Health Project

- [www.IBHP.org](http://www.IBHP.org): comprehensive clearinghouse of resources to support the implementation of integrated systems and care. Includes evidence-based practices and tools, policies and practices in CA and nationally.
- On-demand web-based webinars and videos related to integrated care (can be accessed through the [ibhp.org](http://ibhp.org) website, home page on the left)
- A compendium of forms used in integrated care: available on the [ibhp.org](http://ibhp.org) website under HOW -> PROCEDURES -> FORMS
- *Partners in Health: Mental Health, Primary Care and Substance Use Interagency Collaboration Tool Kit*: This Kit, which can be accessed on the [ibhp.org](http://ibhp.org) website home page (first item under “News”) has sample interagency agreements, California contacts, sample screening and evaluation instruments; sample forms; job descriptions, integration models used in California and much more
- Recommendations from Small County Care Integration Initiative, sponsored by CIMH: [http://www.cmhda.org/go/portals/0/cmhda%20files/committees/sc/1306\\_june/1306%20scci%20small%20county%20strategic%20planning%20meeting%206-21-13%20jc.pdf](http://www.cmhda.org/go/portals/0/cmhda%20files/committees/sc/1306_june/1306%20scci%20small%20county%20strategic%20planning%20meeting%206-21-13%20jc.pdf)
- Center for Integrated Care Solutions: website contains useful material about financing, models, clinical practice, administration and operations  
<http://www.integration.samhsa.gov>
- Integrated Care Resource Center: disseminated best practices for delivering coordinated care to Medi-Cal high need, high cost beneficiaries; offers information about care management, program design, consumer engagement and data collection:  
<http://www.integratedcareresourcecenter.com/>
- A comprehensive listing of websites providing information about integrated care can be found in *Partners in Health: Mental Health, Primary Care and Substance Use Interagency Collaboration Tool Kit* (see above) in the “Training and Resources Section” beginning on page 328.
- SBIRT (screening, brief intervention and referral for treatment for alcohol and substance use) information and procedures: <http://www.samhsa.gov/prevention/sbirt/>
- California Innovations Summit (April 22-23, 2014)
- County and Regional Stakeholder Facilitation and Action Planning (pilot Sonoma, Fall 2013)
- Peer Provider Tool Kit (forthcoming Spring 2014)

- The paper “Workforce Capacity for Reducing Rural Disparities in Public Mental Health Services for Adults with Severe Mental Illness” prepared by SAMHSA:  
[http://www.integration.samhsa.gov/nihms-338737\\_II.pdf](http://www.integration.samhsa.gov/nihms-338737_II.pdf)
- Use of IT in rural communities, prepared by the Commonwealth Fund:  
<http://www.commonwealthfund.org/Publications/Case-Studies/2013/Apr/Colorado-Beacon-Consortium.aspx?omnicid=20>
