

A Season of Many Colors

The holiday season is full of many colors, from cheerful reds and golds, to more calming tones, and somber hues. It is the multitude of colors that creates the special beauty of the season. This time of the year is an opportunity to celebrate and to acknowledge that not everyone feels festive. Especially following an intense and challenging year, we can demonstrate the spirit of the season with kindness, generosity, and love by checking in with ourselves and others.
